Members' Business debates: Session 6

This Fact Sheet provides a list of Members' Business debates in the Scottish Parliament from the beginning of Session 6. It is arranged by date with the most recent date first and includes the motion number, the name and party of the Member of the Scottish Parliament (MSP), the subject of the debate and a link to the debate in the Official Report.

Members' Business is any item of business, other than a Member's bill, proposed by an MSP who is not a member of the Scottish Government or a junior Scottish Minister. This is generally a debate on an issue affecting a particular locality but could also be a debate on a general issue, or a procedural matter. A period of up to 45 minutes is set aside for such business at each meeting of the Parliament. By convention, the debate is on a motion, but the motion is not moved and the debate ends without a vote. Business takes place on Tuesday and Wednesday afternoons after Decision Time and after First Minister's Question Time on Thursdays.
